"The respect of social life in Africa" Conference

International Conference on Women and Law approves formation of a committee to draft a legislation ensures respect of social life in Africa according to the issues presented by the Leader in Gambia

Participants in the international scientific conference on Women and Law decided to form a committee to supervise and follow up the execution of the contents of this document " Mechanisms of Arab African international Women's Rights " endorsed by the conference at the conclusion of its works Tuesday evening in Tripoli.

The Conference defined the tasks of this committee in drafting the draft law according to these mechanisms that ensures the respect of social life in Africa in line with the speech of the Leader of the Revolution during the regular session of the African Union Summit held in the Gambian capital , Banjul in July of last year.
